# Purpose of the SCA Mentoring Grant Program

The SCA Mentoring Grant Program supports more effective and successful reentry for formerly incarcerated individuals through the utilization of comprehensive, evidence-based wrap-around reentry plans which address the identified needs of the individuals and are supported by trained mentors.

NEW

# Mentoring Program Expectations

- Larger awards for a longer grant period
  - Awards of up to \$1,000,000 for 36 months
- Larger programs
  - Programs must serve at least 250 individuals over the 36 month grant period
- Broader range of services
  - Grantees must provide a comprehensive range of reentry services that align with the individual risk and need factors of their participants
- Collaboration with corrections
  - A Memorandum of Agreement or Understanding is in place that clearly demonstrates an established relationship with a correctional agency and the facility in which the applicant proposes to work

## Program Requirements:

# Target Population

- Age 18 or older, convicted as an adult, and imprisoned in a state, local, or tribal prison or jail
- Must be **moderate to high-risk of reoffending**, as identified by empirically validated risk assessment instruments

# Program Requirements: Transitional and Reentry Services

- **Provide both pre- and post-release services** that include mentoring offenders in a pre-release setting during incarceration, through transition back to the community, and post-release.
- Provide a comprehensive menu of transitional services that incorporate cognitive-behavioral approaches and address a broad range of individual risk and need factors.

# Program Requirements: Mentor Training

Mentor training must address the following areas:

- Characteristics of the criminal justice system, corrections and the reentry process
- Relevant governing policies and procedures of the correctional agencies and facilities
- Interpersonal communication skills
- Criminogenic needs and their relationship to recidivism
- Victim-related issues
- Available transitional services and referral procedures to other agencies/organizations
- Ethical standards and the nature of the mentor/mentee relationship
- Safety

## Program Requirements: Data Tracking

- Track participant outcomes for at least 12 months following release and obtain information about recidivism from the relevant corrections and/or supervision agencies.
  - Grantees are required to provide the number of program participants who are reincarcerated within the 12-month period following their initial release.

# NRRC Technical Assistance Overview

Your designated NRRC Technical Assistance Lead will provide and coordinate support in several areas, including:

- ✓ Completion of the Mentoring P&I Guide
- ✓ Identifying measures and strategies to track progress
- ✓ Content and facilitation support
- ✓ Sharing successes with stakeholders, the field, and the press

# NRRC Technical Assistance Strategies

1. Guidance on engaging leadership team
2. Meeting participation and/or facilitation
3. Information sharing (e.g., sample policies, manuals, MOUs)
4. Objective feedback and recommendations (e.g., trainings, resources, overcoming barriers to implementation)
5. Guidance on policy and procedure development
6. Monitor progress and accomplishments
7. Promote efforts and achievements within and beyond the jurisdiction (e.g., develop presentations and other materials for stakeholders, press release templates)

# NRRC Technical Assistance On Demand

## Constant Support:

- Receivable via phone, e-mail, and in-person
- Can come in the form of training, referrals to expert consultants, and resources (e.g., research and publications)
- Responsive to the unique needs and strengths of each grantee
  - **NOT** an audit to actively find faults and then passively watch them hinder program success.

# Mentoring Planning and Implementation Guide

- Capacity building for implementing the grant program
- Identify strengths and areas that need improvement
- Target TA and identify themes across grantees
- Increase the exchange of ideas

# The TTA Process in The Planning Phase

- Work with team of stakeholders to complete the Mentoring P&I Guide in phases
- Fill out exercises prior to NRRC monthly calls with your TA provider
  - Send to TA provider exercises prior to calls
  - Discuss exercises on calls
  - Update the exercises as changes occur

# The Planning Phase

Review of Program  
Vision and Goals

Establish Work Group  
and Engage Partners  
and Stakeholders

Create a Plan to Reach  
the Target Population  
and Identify Individual  
Client Needs

Develop Pre and Post-  
Release Services and  
Programming Utilizing  
EBPs

Structure Mentoring  
Services

Establish Data  
Collection, Program  
Evaluation, and  
Sustainability Plans

# Review of Program Vision and Goals

- Vision and mission
- Goals
- Relationship with other agencies and initiatives
- Environmental scan

# Establish Work Group and Engage Partners and Stakeholders

- Team members and program support
- Key partners, service providers, and stakeholders
- Need for additional outreach
- Policy and procedures

# Reaching Target Population and Identifying Client Needs

- Program eligibility criteria
- Screening and assessment practices
  - Tools
  - Information sharing
- Criminogenic risk and needs
- Additional support and service needs
- Supervision status

# Pre and Post- Release Services

- Delivery of direct services and working with service providers
- Assessing the transition process
  - Case management
  - Connection to community-based providers
- Client engagement
- Cognitive behavioral approaches and incorporating EBPs

# Structuring Mentoring Services

- Mentor model
- Recruitment plan
- Mentor roles and expectations
- Initial and in-service training
- Mentor and client matching
- Policies and procedures on accountability, communication with program staff, crisis situations, data collection, etc.
- On-going support and engagement strategies

# Data Collection, Program Evaluation and Sustainability Plans

- Evaluation goals
- Data collection plan
- Recidivism rates
- Sustainability strategies and planning
- Opportunities for sharing successes
- Strategic planning to ensure long-term systems change and maximum program efficacy

## The Implementation Phase

- Identifies areas you are working on
- Action items with timeframes
- Ongoing monitoring and revision
- Plans can be updated with progress

# The Implementation Plan Will Evolve

- Are we on track to reach program goals?
- How will we work around a partner who is no longer engaged?
- How can we increase client engagement?
- How can we meet unmet needs?
- How can we improve mentor and mentee relationships?
- How do we know if our training is effective?
- Why are so many of our clients returning on probation violations?
